

# The Oaks Community Primary School

“Make a difference”

*Aspire. Achieve. Appreciate.*

Year 6 sound training.

## Welcome to this week's newsletter..

Last week, we all had a brilliant week at school. The New Year Disco was a fantastic celebration of the new year ahead. It was a great evening of dancing, feasting and singing. The children behaved beautifully well. We look forward to hosting another disco in Summer term. **Thought for the week...** *“Look for the gifts in everything, especially when you are facing what appears to be a negative situation.” Rhonda Byrne*

### Literacy Project

Our Y5 and 6 pupils are currently participating in a Literacy project in conjunction with Liz Pitchford and Chester Zoo. The project is an innovative project aimed at inspiring writing based on real life experiences. As part of this, the pupils enjoyed a wonderful and exciting trip to the zoo last week, where they got an extra special experience linked to the Orangutans. I'm sure your child will tell you or has already told you all about it.

### PE & Art

This term your child's PE and art afternoon is on the following days:

Tuesday - Y1 and Y2

Wednesday - Y3 and Y4

Thursday - Y5 and Y6

Friday - YR and Y3

So that your child is able to participate fully in the sessions, please ensure they have their PE kit and Art clothes in school on the day of their PE/Art afternoon. For ease, we advise that pupils keep these kits in school either all week and take them home at the weekend or for half a term and then take them home for the holiday.

## JANUARY

27th Jan

Chinese New Year Themed Day in school and Chinese Themed School Lunch

## FEBRUARY

17th Feb

Pupils break up
